Registration for Introduction to Laboratory Safety Training Course # 211126

1. Go to sso.tamus.edu. Login with your UIN. If you are a non-employee student, you will need to access the training through the external gateway. Please contact labsafety@tamu.edu for further login instructions.

2. Click on Train Traq

Please email labsafety@tamu.edu or call 979-845-2132 for any questions.
Registration for Introduction to Laboratory Safety Training Course # 211126

3. Click on the tab for Find Classroom Training

4. In the Upcoming Classroom Training window, enter the course number 211126 and the TAMUS Member must be set to All or M- Texas A&M University. Now click on search.

You can search by Course Name also but if you have the wrong name or misspell the name the search will not be as effective. Course Number is the easiest way to search as it narrows your search result to the exact training.

Please email labsafety@tamu.edu or call 979-845-2132 for any questions.
Registration for Introduction to Laboratory Safety Training Course # 211126

5. Once you enter the correct course number, a list of all training sessions for that training that are available for registration will be displayed.

6. Click on the session you wish to attend and the details will be displayed along with a register button.

Please email labsafety@tamu.edu or call 979-845-2132 for any questions.
